Once again let me tell you how indebted my colleagues and I are for your "Nuclear Winter: Science and Policy Implications." As you could no doubt tell from the responsiveness of the audience, you were an unqualified success. I greatly appreciate you taking the time from what I know is a busy schedule to spend the afternoon with us.

I regret that I had to miss the luncheon, but I share the pleasure of our employees in having had the opportunity to hear you. Again, many thanks.

Sincerely,

/s/ John N. McMahon
